[Important Note]

① Educational History:

If you changed schools while attending elementary, junior high or high school, please enter the name of the school from which you actually graduated. However, please enter the total number of years of study and years of enrollment.

② Employment History:

Please fill in your work experience if you have worked or are currently working for a company or a government agency. Internship or part-time work should be excluded.

③ Research History:

Please fill in ONLY IF you have been a researcher or research student. <u>Do not enter the information while you were a student.</u>
